

CC+P EDUCATION FOUNDATION SCHOLARSHIP APPLICATION

The CC+P Education Foundation is now accepting applications for its 9th annual scholarship for the academic year beginning September 2012.

This scholarship is intended to be awarded to an incoming Freshman College student who is currently a dependant of an employee/non-shareholder of a customer of CC+P Engineering Polymers.

The scholarship will be granted based on the demonstration of merit and need by the applicant and will be selected by the Board of Directors of the Foundation. The Board has sole discretion in determining whom the scholarship is awarded. All applicants must submit this application by Friday, July 27th, 2012 along with the following:

- A detailed letter outlining the applicant's educational goals and explaining the reasons they are deserving of the award including the name of the plastics processing company where applicant's parent or guardian is employed.
- High School Diploma or Equivalent Transcripts, including GPA.
- Proof of Need as demonstrated by a copy of the applicant's parent or guardian's 2011 Federal and State Tax Return as filed, including W-2 forms.
- Evidence of an acceptance letter from the University, College or Institution of attendance.

Return completed application packets to the Attention of Becky Howell:

- 1) via e-mail - becky@ccpweb.com (preferred) **or**
- 2) mail to - CC+P Education Foundation
